

## Basic Pediatric Screenings for Children

*(For families with children between the ages of newborn to 3 years of age)*

At

## The South Ward Family Success Center

- Do you want to know the weight and the height of your child?
- Do you know if your child is up to date with his immunization shots?
  - Do you have basic questions about your baby's wellbeing?

A bilingual nurse and health educator will be available to answer some of your questions and take the weight and height of your child. You will also have an opportunity to review your child's immunization records.

Please bring the records with you on the day of the appointment.
