

## NAIFA-GP's 23rd Annual Charitable Golf Outing was a Hole-in-One!

The 82 golfers who came out to join our NAIFA-GP day of golf couldn't have asked for a better day! Once again our friends at Northampton Valley Country Club provided a great venue with their lovely course and delicious food. A small volunteer army from Portamedic, Brokerage Concepts and Educational Testing Services (ETS) helped with registration, raffle tickets and the competitions. The atmosphere was filled with friendly sportsmanship, and plenty of prizes were awarded at the reception.

The winning foursome of the day was from Creative Financial Group with Streamline Payroll and one of the Jewell Electric foursomes not far behind. The Straightest Drive was executed by Bob Powell, and Scott Pinchak swung for the Longest Drive of the afternoon.

This year's event raised \$11,600 for the Infant Foster Care Program of The Children's Home Society of New Jersey & Pennsylvania. The Golf Committee would like to thank our 5 specialty sponsors, 11 corporate foursome sponsors, 24 hole sponsors and all of the individual donors who helped to make our event a great success.

NAIFA-GP's 24<sup>th</sup> Annual Charitable Golf Outing has been scheduled for September 18, 2013. We hope everyone will come join us again!
