

National Association of Insurance and Financial Advisors of Greater Philadelphia Delivers Hope to At-Risk Babies at the Holidays!

Once again, the Annual Golf Outing hosted by the National Association of Insurance and Financial Advisors of Greater Philadelphia (NAIFA-GP) hit a hole-in-one for local at-risk babies. This year's NAIFA-GP charity event at Northampton Valley Country Club raised \$9,300 for the Infant Foster Care Program of The Children's Home Society of NJ & PA, a local charity with which the NAIFA-GP Golf Committee has partnered for the past 8 years.

"The caring dedication of the NAIFA-GP Golf Committee year is a community example of what a group of caring business leaders can do for our most vulnerable children," said CHS of NJ & PA's President and CEO, Donna C. Pressma. "In these challenging economic times, it is difficult to secure the financial resources to maintain and expand critically needed services for our abused and neglected children. With the help of this donation, we know that we will be able to help that next baby who comes to us with the hope of our finding them a safe, loving forever family."

Members and volunteers of the NAIFA-GP Golf Committee present the proceeds of its 24th Annual Charity Golf Outing to The Children's Home Society of NJ and PA's Infant Foster Care Program. Pictured left to right are Jerry Redington (Rockland Financial Group), Gary Armstrong (Gary Armstrong Insurance Agency), Brian Dobisch (Dobisch Associates), Tony Pettola (A.J. Pettola & Associates), Denise Wentzler (CHS of NJ & PA), and Committee Chairperson Archie Foor, (LMK Insurance).
