Dear Friends,

It is a pleasure to extend my warmest congratulations and best wishes as the Trenton Education Dance Institute and the Children's Home Society of New Jersey come together in support of Trenton students.

The Trenton Education Dance Institute has long promoted the benefits of the performing arts, providing a variety of in- and after-school programs for Trenton students. The Institute's work helping children unlock their greatest potential through the rigor, discipline, and joy of dance is an extraordinary service to the Trenton community. I remain inspired by all you have accomplished.

Again, congratulations. I look forward to your continued success.

Best wishes,
