**Hamilton, NJ** (November 02, 2017) – The Trenton Education Dance Institute (TEDI) will host its 5<sup>th</sup> Annual TEDI Fall Fundraiser at Grounds For Sculpture (Hamilton, NJ) on Wednesday, November 8. The event will feature some of the area's finest restaurants and specialty food establishments showcasing their signature foods, desserts, and wine. The event will include a riveting live performance by TEDI's talented Celebration Team dancers, and guests are invited to participate in exciting raffle drawings and auctions. All funds raised will benefit TEDI, a youth development dance program of The Children's Home Society of New Jersey (CHSofNJ).

TEDI is an affiliate of the National Dance Institute (NDI), one of the nation's most prestigious arts-in-education organizations. Through TEDI, youth from participating Trenton Public Schools receive expert dance instruction coupled with lessons that reinforce what is taught in the classroom to help students excel in school and in life. The program's comprehensive curriculum challenges students' cognitive and physical abilities, while igniting their self-esteem and emphasizing important skills such as self-discipline, teamwork, concentration, cooperation, confidence and pride in personal achievement.

**About The Children's Home Society of New Jersey**

The Children's Home Society of New Jersey is a nonprofit child and family serving agency whose mission is to save children's lives and build healthy families. Founded in 1894, the agency protects abused or neglected infants and at-risk children by insuring stable, permanent, and loving homes for each and every child it serves. All services are confidential and most are free. For more information, visit our website at [www.chsofnj.org](http://www.chsofnj.org).

**About Trenton Education Dance Institute**

The TEDI program joined with The Children's Home Society of New Jersey in 2011. TEDI teaches students the art and life lessons of dance that reinforce the skills needed for classroom success, and the skills that enable them to grow into productive adults.
