“Success is not final, failure is not fatal: it is the courage to continue that counts.”
-Sir Winston Churchill
A Message from Our CEO and Chairman of the Board

CHANGE TO SURVIVE AND THRIVE

“Success is not final, failure is not fatal: it is the courage to continue that counts”
—Sir Winston Churchill

During these fast changing times, CHSoNJ must continuously challenge ourselves. Our clients’ lives demand that they change every day just to be able to get enough food, to secure safe and affordable housing, to find work they can succeed in, to find affordable healthcare, or to resist opioids/vaping. We ask:

- What can CHSoNJ do to help those we serve to help themselves?
- How can CHSoNJ help families cope with change and anticipate what they need next?
- What can CHSoNJ do to help our staff prepare for so many changes demanded by funders?
- What can CHSoNJ do to help our local, state and national communities to better understand the needs of our children and families?

We have seven parent/community advisory boards that advise us and we listen to them. We note trends we are seeing. We apply what we hear to bring new funding and resources to our community.

Change is what we had to do to be successful last year. That success is reflected in this 2017-2018 Report.

When adoption practices changed, CHSoNJ developed service options so that many more couples and single parents could choose to build their families. When funding for school-based youth development services surprisingly and suddenly changed, our Board of Trustees determined we would not be deterred. They knew our services helped students excel while avoiding the perils of adolescence.

We found new solutions. Our accomplishments this past year include:
- Our remarkable STEAM outcomes in Trenton Middle Schools.
- A standing ovation for our 200 middle school dancers in the TED Event of the Year at the renowned Trenton War Memorial.
- Being awarded new state funding to expand our Maternal Child Health services into Monmouth County.
- Our evaluated Kinship Service model was nationally recognized and published in the Journal of the Child Welfare League of America (CWLAA), and posted by Children’s Bureau for others in the nation to emulate.
- Our immediate response to the temporally displaced and devastated Puerto Rican families that recently arrived in Mercer County, supporting them to independently meet their family needs.
- Ensuring the success of more Trenton at-risk pregnancies – mothers in our program significantly deliver more full term, full birth weight, healthy babies, avoiding infant fatalities and unnecessary lifetime special needs.
- Serving 84,000 infants, toddlers, youth, parents, and grandparents during the year, an increase of 5,000 over 2006-2017.

All this has been possible thanks to the support of our 300 amazing professional employees, 900 caring volunteers, our 19 dedicated Board of Directors, and our wonderful community supporters. Now our challenge is: How are we going to keep meeting these needs? So many successes this past year! But, what about next year, the 125th Anniversary for our agency?

What did Winston Churchill mean by saying "Success is not final!? Does it mean we just need to continue doing what we did last year? Not at all! Each year brings many changes, and if we do not adapt, we will not be able to meet the challenges next year brings. Why are we pressed to change? Because technology is changing every day. Because our funders keep changing what they ask from us. We earn our funding every year. Change is what we had to do to be successful last year. That success is reflected in this 2017-2018 Report.

Churchill concluded his quote with “It is the courage to continue that counts!” meaning we must try new ways of serving and cannot be afraid that we might fail. Choosing to try means we will likely never experience some of the very solutions and progress needed. So it is courage that we must hold on to. Courage AND hope. If we all at CHSoNJ, and you, our supporters, keep believing in our work together, we will change and save more lives, one child at a time. We can do this TOGETHER as we did last year...TOGETHER WE DO MAKE A DIFFERENCE! Thank you, CHSoNJ supporters.

Ways You Can Help Make a Difference

Voluntary contributions provide the necessary funding to maintain the important programs and services that are saving children’s lives and building healthy families in New Jersey and Eastern Pennsylvania. Through your gifts, large or small, you will help to ensure that our services are available to the at-risk children of our community. Visit www.chsofnj.org or call (609) 695-6274 to make a donation or learn more about the many ways to give.

Individual Gifts

Every gift, regardless of its size, makes a big difference. Your voluntary donations help fund critical services that help sustain our programs and save our children’s lives!

Private Events

Planning a celebration? Multiply the joy of your special day by asking guests to bring a donation for our children in lieu of a gift. Another idea is for you or your organization to host a special fundraiser to benefit our children!

Major Gifts

Your restricted gifts of $10,000 or more can maintain or expand a specific program, while your unrestricted gifts allow us the flexibility to direct your dollars to the programs or services in greatest need.

Events in a Box

If you or your organization would like to host a special fundraiser to benefit our children, we can send you everything you will need! Please contact us for ideas and details.

Gifts of Rememberance

An honor or memorial gift can be a meaningful way to help better the life of a local at-risk child while celebrating the life or accomplishments of a loved one.

Gifts of Stock

If you’d like to donate appreciated securities, call us to initiate the transfer! In addition to the lives your gift will improve, your donation will help you avoid a capital gains tax and provide a tax deduction for its value.

In-Kind Donations

We welcome donations of new clothing, toys, school supplies, books (especially multicultural and bilingual), gift cards, cleaning products, and hygiene essentials for our babies, children, youth, and parents. We even accept used cars!

Matching Gifts

If your employer or foundation can match your personal donation to us, tell us how to apply for such a match.

United Way Giving

Did you know you can designate CHSoNJ as recipient of your United Way contributions by selecting the donor choice option?!

The operating budget of CHSoNJ relies on funding from federal, state, and county government grants and private contributions, with a major portion of the budget coming from a collaborative partnership with several New Jersey state agencies. Although the funds we receive from these government grants are critical, unrestricted private dollars acquired through additional fundraising efforts are necessary to supplement most grants in order to provide the level of quality and the intensity of social services that are imperative to achieve outcomes that save children’s lives and build healthy families.
