Trenton, New Jersey (April 17, 2020) – The Children's Home Society of New Jersey is proud to share that our Heritage North Family Success Center (HNFSC) staff has partnered with Madame Cupcake Shop in Princeton NJ to surprise local healthcare workers with tasty treats during the COVID-19 Pandemic. Madame Cupcake Shop's founder and member of our Parent Advisory Committee, Tatiana Tedesco, donated 600 cupcakes to our HNFSC staff to give to healthcare workers at Capital Health Medical Center in Hopewell, NJ. It is during times like this, that we rejoice in the simplest forms of kindness being spread throughout our community. We appreciate all of our healthcare workers who are on the front line working tirelessly, and putting their lives at risk, to keep us all safe and well during this outbreak.

Thank you to Aniela Brzoza, our CHSofNJ HNFSC Family Partner Coordinator, our HNFSC staff and Anna Wojciechowska, our Leader Family Mom of our Parent Advisory Committee for coordinating this special event. A very big thank you to Tatiana Tedesco at Madame Cupcake Shop for supporting our event and caring for our brave healthcare workers with her generous donation. We are so very grateful to be able to support our community and show our appreciation to essential workers in such a challenging time.
