About CHSofNJ
Founded in 1894, The Children’s Home Society of New Jersey is a nonsectarian, non-for-profit private agency that promotes the welfare of infants, children, adolescents and parents throughout New Jersey and Bucks County, Pennsylvania. As a comprehensive counseling, placement, parenting education and child care agency, CHSofNJ touches the lives of more than 100,500 infants, children and families each year.

Mission
We save children’s lives and build healthy families.

Values
We value services that work, that are all evaluated, and that help children and parents to help themselves. Our services are delivered with dignity, cultural sensitivity and respect for our clients.

Vision
Every child is in a safe, caring, and permanent family. All children and parents have the skills and knowledge they need to help themselves long after our active case involvement ends.

A licensed Adoption Agency in New Jersey and Pennsylvania, CHSofNJ will not factor the Adoptive Family’s race, ethnicity, national origin, religion, marital status, or sexual orientation into its decision to approve or not approve the Adoptive Family’s home study.

About NAIFA
Founded in 1890 as The National Association of Life Underwriters (NALU), NAIFA is the oldest, largest and most prestigious association representing the interests of insurance professionals from every Congressional district in the United States. Our mission – to advocate for a positive legislative and regulatory environment, enhance business and professional skills, and promote the ethical conduct of its members – is the reason NAIFA has consistently and resoundingly stood up for agents and called upon members to grow their knowledge while following the highest ethical standards in the industry.

Vision Statement
The National Association of Insurance and Financial Advisors protects and promotes the critical role of insurance in a sound financial plan and the essential role provided by our professional agents and advisors.
