

# The Growing Brain: An Overview

Young children's brains are constantly developing, changing, and becoming stronger. It is up to us to understand all of this so that we can support their growth and be positive influences!

Come to this one hour session for an introduction our Growing Brain training series!

Wednesday, July 21, 2021  
6:30- 7:30 via Zoom!

Please visit [NJCCIS.com](http://NJCCIS.com) to register!

**Event ID: 128108**
