

COVID-19 Vaccine Booster Dose Information

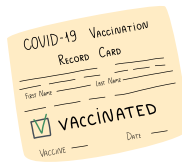

Eligible individuals may choose which vaccine they receive as a booster dose, for more information visit: www.cdc.gov or covid19.nj.gov. Weigh your individual risks and benefits when choosing a vaccine for your booster dose. Please consult your healthcare provider if you have personal questions regarding mixing vaccine brands.

Original Vaccine Received	Timing for booster dose	Who is Eligible?
<p>Pfizer</p>	<p>6 months after your 2nd dose in the 2 dose series</p> 	<ul style="list-style-type: none"> • People 18 years of age and older
<p>Moderna</p>	<p>6 months after your 2nd dose in the 2 dose series</p> 	<ul style="list-style-type: none"> • People 18 years of age and older
<p>Johnson & Johnson (J&J)</p>	<p>2 months after your singular J&J dose</p> 	<ul style="list-style-type: none"> • People 18 years of age and older

Remember: If you are moderately to severely immunocompromised and received Moderna or Pfizer for your primary series you may be eligible to receive a third dose sooner (minimum 28 days after your second dose). [Click here for a list of qualifying conditions](#). If you received J&J for your primary vaccine and are immunocompromised please follow booster guidance above.
Inform your vaccine provider if you are severely or moderately immunocompromised.

What to bring?

Bring your COVID-19 Vaccine Record Card with you when getting a booster dose.

Lost your card? Download the [Docket App](#) to access your vaccine record, or contact the site where you received your original vaccine series.

For more information visit: www.covid19.nj.gov
